In addition to this grid, it may be possible to claim from other countries if reciprocity can be provided by way of a certificate confirming equal treatment of VAT in claimants country of residence

1. This grid is a guideline only and detailed regulations and restrictions apply to many items
2. Special rules apply
3. Guests of claimant only (invoice should show list of delegates to determine guests) Rooms hired for meetings/in-house conferences also recoverable
4. Rules on exhibitions costs vary between the member states. VAT may not always be charged by the supplier (reverse charge mechanism).
5. From 01/01/2015, reciprocity is not required provided the expenses are in connection to fairs/exhibitions
6. Only recoverable for 7 seater vehicles
7. Meals as part of hotel accommodation only, if 'Check number' is quoted on invoice then the restaurant receipt must also be attached
